R E S P O N S E

Sir:

In response to the Official Action mailed May 19, 1988, the response period of which was reset by the paper mailed June 24, 1988, please amend the above-identified application as follows:

IN THE CLAIMS:

Please cancel all of the claims in this application, namely claims 1 through 16, and replace by the following new claims:

C  
--17. Biologically active recombinant DNA-derived factor IX protein derived from a single human individual and which (1) has an amino acid sequence of human factor IX protein or of a protein sufficiently similar thereto to make it acceptable for infusion into human patients suffering from
